## PROPERTY DESCRIPTION

Stylish townhome on a quaint street in the heart of Hyde Park! You'll want to see this adorable town home perfectly located in Hyde Park featuring loads of upgrades. You'll find travertine flooring in the entry way and half bath upon entering. Warm wood floors lead you to the spacious kitchen featuring upgraded kitchen cabinets and stainless appliances. The brick paver patio on the side of the home is perfect for weekend grilling. The finished garage is complete with heat/ac and berber carpet. It's the ideal space for an office or den. Upstairs, you'll find berber carpet throughout and California Closet systems in each bedroom. The huge master bedroom with its vaulted ceilings even has a Spanish tile balcony. Dual vanities, jetted tub, and spacious master shower with granite rounds out this spectacular master suite. If Hyde Park is where you want to be, then you must see this elegant townhome.
