PROPERTY DESCRIPTION

This is an exceptional home located in Golf View on a beautiful estate-size lot. Completely renovated with the finest materials from around the world, this home is sure to impress the most particular buyer. Featuring a room for every occasion including formal living, formal dining, casual living, casual dining, and private office, you have all of the space needed to entertain your friends and family or tuck away for a private, quiet moment. Host the grandest of all parties in the chef's kitchen featuring unique beveled subway tile, gorgeous granite counters, a center island, Sub-Zero refrigeration, and a Viking range. The spacious master suite consists of approximately 1000 square feet and is divided into a sitting room, dressing room, walk-in closet, vanity, soaking tub, and grotto shower for her; the sleeping area; and a sizeable closet and bathroom for him. This exquisite residence has a resort size pool with a waterfall surrounded by world-class landscape design and paver pathways. Built in 1933, the home is masonry with a villa shingle 40yr. roof and has 4 fireplaces and an elevator. Separate quarters for guests and/or staff are located above the detached garage and comprises 672SF (not included in the 8769SF figure for the main house). So as not to disappoint the furry members of the family, the home even includes two pet baths.
